

PROVIDER FILE CERTIFICATION (Family Child Care Home)

Child Action - Sacramento County Resource & Referral Program

We value the essential role you play in caring for children and supporting families. To keep your information current and ensure families have the most accurate details about your program, please complete this form and return it to us.

All licensed family child care programs must submit:

- A copy of your current rate sheet showing the rates you charge.
- Your discount or scholarship policies (if applicable).

Program Name: _____

Location Address: _____

☐

I have attached my signed rate sheet.

I, _____, certify that the rates attached to this form are
(Print Provider Name/Director Name)
correct and that they are the usual and customary rates that I charge to non-subsidized families. I further certify that the rates contained on this sheet are rates I have established, and that they are current and will remain in effect until or unless I notify Child Action of a rate change.
